THE INNOVATION  
UNIVERSITY

THEME  
**HEALTHCARE  
AND  
WELLBEING**

“The government wants to reach healthcare to the country’s poorest of the poor. Preventive care is the most important component of overall healthcare and also inexpensive.”

**Shri Narendra Modi,  
October 25, 2014.**

## **INTERNATIONAL FACULTY DEVELOPMENT PROGRAM( IFDP)**

Health-care and wellbeing are central concerns in all our lives. Happiness, health, inclusion, empowerment, poverty alleviation and environment are components of this larger purpose. The Hon’ble Prime Minister of India has committed at several junctures about wellness of the citizen of this country.

The Union Government in its 2018-19 annual budget has announced perhaps the world’s largest Health Protection Scheme providing a health insurance cover of Rs. 5 lakh per family per year.

In its pursuit to complement Government of India’s initiative on Healthcare Ajeenkya DY Patil University, Pune is organising an International Faculty Development Program (IFDP) on the multidisciplinary theme “Healthcare and Wellbeing”. The IFDP is being organised during June 6th and 8th, 2018.

The objective of IFDP is to have an overview of healthcare from all aspects such as design of healthcare services, technologies and products, development of academic research curriculum aligned to healthcare and wellbeing, and practical explanations of current and future challenges while implementation. We are inviting participants from the entire health and social care sector organisations/groups to share their experiences.
